Out in the country past the city limits sign  
Well there's a honky tonk near the county line  
The joint starts jumpin' everynight when the sun goes down  
They got whiskey women music & smoke  
It's where all the cowboys go to boot scootin' boogie

I've got a good job I work hard for my money  
When it's quittin' time I hit the door runnin'  
I fire up my pickup truck & let the horses run  
I go flyin' down that highway to that hide-a-way  
Stuck out in the woods to do the boot scootin' boogie

Yeah, heel, toe, docie doe come on baby let's go boot scootin'  
Oh, Cadillac black jack, baby meet me outback we're gonna boogie  
Oh get down, turn around go to town boot scootin' boogie

The bartender asks me says son what'll it be  
I want a shot at that redhead yonder lookin' at me  
The dance floors hoppin' & it's hotter than the fourth of July  
I see outlaws, inlaws crooks & straights all out makin' it shake  
Doin' the boot scootin' boogie

Oh, heel, toe, docie doe come on baby let's go boot scootin'  
Cadillac black jack, baby meet me outback we're gonna boogie  
Yeah, get down, turn around go to town boot scootin' boogie
