

Dansnaam: Don't you wish

Artiest: John Fogerty

Song: Don't you wish

I dreamed I walked in heaven just the other night
There was so much beauty, so much light
Don't you wish it was true
Don't you wish it was true

An angel took my hand
Said you don't have to hurry
Got all the time in the world don't worry
Don't you wish it was true
Lord don't you wish it was true

What if tomorrow everybody was your friend
Anyone could take you in
No matter what or where you been

What if tomorrow everybody had enough
The world wasn't quite so rough
Lord don't you wish it was true

He said the worlds gonna change and it's startin' today
There'll be no more armies, no more hate
Don't you wish it was true
Don't you wish it was true

And all the little children will live happily
There'll be singin' and laughter
Sweet harmony
Don't you wish it was true
Lord don't you wish it was true

What if tomorrow everybody under the sun
Was happy just to live as one
No borders or battles to be won

What if tomorrow everybody was your friend

Happiness would never end
Lord Don't you wish it was true

Alright!

What if tomorrow everybody was your friend
Happiness would never end

Lord don't you wish it was true

Alright!

Oooooo-A!

What a beautiful day!
