

**D**ansnaam: Waltz across Texas

**A**rtiest: Deryl Dodd

**S**ong: One ride in Vegas

He's packed up his boots and his riggin  
Seventeen and out on his own  
He'll ride em all from Portland to Texas  
And dreamin of one ride in Vegas  
One ride in Vegas

Lonely nights, run down motel rooms  
Achin bones from yesterday's ride  
It's takin more then he thought he could give it  
But he's holdin on for one ride in Vegas  
One ride in Vegas

He's riskin it all, drivin by a hunger  
That never will let him give up  
And with a fire in his eyes he dances with thunder  
Til one day his day finally comes

His hearts beats fast with anticipation  
Brighter lights then he's ever seen before  
He's waited his whole life for the next 8 seconds  
And he'd do it all again for one ride in Vegas  
Just one ride in Vegas

He's an old man now  
A two-time World Champion  
A modern day legend, every cowboy knows his name  
He's all settled down on his big ranch in Texas  
But he'd trade it all today for one ride in Vegas  
One more ride in Vegas
