

Dansnaam: Falling in Love

Artiest: Zac Brown Band featuring Alan Jackson

Song: As she's walking away

We never spoke a word but every thought she had I heard from across the room.

We were standing face to face I couldn't find the words to say, give me one more move.

I don't even know her name. I guess foolish pride's to blame

Chorus

Now I'm fallin' in love as she's walking away

And my heart won't tell my mind to tell my mouth what it should say.

May have lost this battle, live to fight another day, now I'm fallin' in love as she's walking away.

Wise man next to me did say about the one that got away, son I missed my chance.

Don't you let regret take place of the dreams you have to chase, ask her to dance...go on son. You might fall down on your face. Roll the dice and have some faith.

Chorus(2)

Don't be fallin' in love as she's walking away, when your heart won't tell your mind to tell your mouth what it should say.

May have lost this battle, live to fight another day, don't be fallin' in love, as she's walking away.

You might fall down on your face, roll the dice and have some faith.

Chorus(2)

And don't be fallin' in love as she's walking away, when your heart won't tell your mind to tell your mouth what it should say. May have lost this battle, live to fight another day, don't be fallin', fallin' in, fallin' in love, as she's walking away.
